COSPLAY GUIDE EVELYN PARKER

CHARACTER

EVELYN PARKER

Evelyn's noir mystique makes her easy to trust and hard to figure out, and that's just how she likes it. A cunning figure in Night City's underworld, Evelyn is ready to make the riskiest plays to get ahead; whether she's parlaying with corpo elites or meeting over drinks with do-or-die mercs, Evelyn plays her cards close to her chest. Keeping an elegant. ice-cool facade that hides her true self – burying it so deep, few will ever see it.
